

AAMIR KHANDWALA
INTERIOR DESIGN

The team at Aamir Khandwala Interior Design hopes you are enjoying the start of summer! Over this past year, we've been cultivating our creativity in a changing world. Through spending time with our loved ones and re-centering our lives around our time at home, we have found new ways to continue bringing passion and innovation to our work. We have been collaborating with some of the most unique and diverse clients on their homes. Our current projects include locations in Miami, Minneapolis, Vermont and a rapidly reawakening New York City.

Project Spotlight

Combining modern lines with Eastern grandeur, our recently completed Chelsea project provides a young, international family with a place to take in beautiful city views in a luxuriously comfortable setting.

Our Takeaway

More than ever, our lives have been centered around home—which serves as a place of refuge, productivity, creative expression, and play. This renewed focus on tranquil yet flexible domesticity reaffirms our commitment to designing harmonious spaces that are multifunctional without compromising on beauty.

With Warmest Regards,
