

AAMIR KHANDWALA
INTERIOR DESIGN

And just like that, summer is coming to a wrap. As we approach Labor Day weekend, we'd like to express our gratitude to all the artisans and workers who bring our creative ideas to life for our clients. Collaboratively designing beautiful spaces and bespoke furnishings are a true labor of love for us. We are highlighting a few of our continued vendor partnerships.

Bespoke Design + Jouffre

We've been collaborating with Atelier Jouffre for over seven years now, developing [bespoke designs](#) for our clients including the custom curved sofa and wall-to-wall channeled headboard pictured above. The dedicated and highly skilled Jouffre team executed these pieces with perfection.

Lance Woven

Woven leather has a handsome quality that wears like a favorite handbag. We've specified many of Lance's woven leathers for upholstery and rugs in classic saddle tones as well as metallics. Their leathers bring texture and depth to a space with a rugged yet refined hand.

Combray

We believe embroidery is jewelry for the room. From shades to curtains, pillows to upholstery, Combray embroiders it all. The embroidery process can be laborious and difficult; we enjoy collaborating with Combray because they make the process easy.

The team at Aamir Khandwala Interior Design wishes you a relaxing Labor Day Weekend!
