2019: A Year of Building Beautiful Spaces

As we welcome winter, we're excited to share with you some highlights from our recent projects. We have had the pleasure of partnering with clients in bringing color, geometry, texture, harmony and playfulness to their spaces! Our diverse projects include a weekend retreat in Bellport, a duplex on the Upper East Side, loft in West Village, a townhouse in Brooklyn Heights, and a modern Williamsburg residence to name a few. As we mark our studio's fifth year, we're honored to be featured among talented design colleagues in *On Style* by Carl Dellatore (Rizzoli Books). Wishing you a holiday season filled with celebrations and new possibilities.

Bellport Weekender

This sophisticated second home for a young family exudes warmth and color underpinned by crisp lines and symmetry. The entry hall pictured above features a custom geometric rug by Alt for Living and custom sliding barn doors.

Bespoke City Dwelling

We recently completed a luxury apartment on the Upper East Side, featuring bespoke pieces and an exceptional collection of artwork and furnishings sourced from the finest industry vendors in New York and abroad.

Eclectic Elegance

A mix of vintage, international and contemporary pieces shape a refined loft in the West Village. Featured furnishings pictured here include a dining table by Wendell Castle, chairs by Gestalt, leather and straw rug sourced from Mauritania and a one of a kind cabinet by Pedro Barrail.

Luxury in Brooklyn Heights

This sumptuous master bedroom from our Brooklyn Heights project features an upholstered velvet wall to create a blissful retreat within this vibrant family home.

Williamsburg Modern

We brought warmth and serenity to this modern Williamsburg loft with an eclectic mix of jewel-tone colors, patterns, furnishings, and international accents.

Celebrating 5 Years in Business

It is our pleasure to announce that our work is featured in Rizzoli's new book *On Style: Inspiration and Advice from the New Generation of Interior Design* by Carl Dellatore. Available through [Rizzoli](#).
