

As we approach the end of 2021, the team at Aamir Khandwala Interior Design reflects on the many beautiful projects that we've completed. We would like to **thank you** for your collaboration and we look forward to the opportunity to create more inspired spaces together in the years ahead.

In the spirit of the season of giving, we would like to make a donation in your name in lieu of a holiday gift to one of these exceptional non-profit organizations below:

- **Habitat for Humanity** helps families build and improve places to call home. They believe affordable housing plays a critical role in strong and stable communities.
- **God's Love We Deliver** cooks and home delivers nutritious, medically-tailored meals for people too sick to shop or cook for themselves, including those battling cancer.
- **Institute of International Education (IIE)** provides lifesaving assistance to threatened scholars and refugee students, aids international students during global crises, and provides study abroad opportunities to underserved U.S. college students.
- **The Humane League** specializes in campaigns to improve farm standards. It has achieved big victories in eliminating the culling of baby chicks and getting major food service companies to only use cage-free eggs.

Kindly reply with your selection from one of the above options.

May your holiday season be filled with peace, happiness and hope!

Warm Regards,

Aamir
